♥ Copy Editing

YOUR MANUSCRIPT'S THIRD-ACT GLOW-UP

@ellediazromance | ellediazromance@gmail.com | ellediazromance.com

ABOUT ME

I'm a romance writer and podcaster with more than 14 years of professional copy editing experience in newspapers and magazines. My editing skills combined with my expertise in the romance genre make me your perfect partner on your way to your manuscript's (sparkly, typo-free, internally consistent) happily ever after.

SERVICES & PRICING

Using tracked changes in Word or Google Docs, or handwritten markup on a PDF, I will copy edit your manuscript for grammar and usage, spelling, and factual accuracy within the narrative. This means identifying possible plot holes, keeping character details consistent, and clarifying timelines. I will read your manuscript once to understand the story and a second time to suggest edits. I will also provide a style sheet documenting style decisions for the manuscript, character and location facts, and timeline data points. You'll receive my copy edits within 10-14 business days. After you incorporate my edits, I will complete a "tidying up" pass to check that no errors were introduced during that revision.

Tarot Brainstorming

YOUR STORY IS MAGICAL. YOUR WRITING PROCESS CAN BE, TOO.

@ellediazromance | ellediazromance@gmail.com | ellediazromance.com

Tarot isn't just for divining the future. It's an incredible writing tool. Built on archetypes and the hero's journey, tarot connects you with your own intuition and creativity to reveal the parts of your work-in-progress waiting to be discovered. During a one-hour Zoom call, we'll choose a deck that resonates with you, shuffle the cards, and talk through anywhere you feel stuck in your drafting or revision process. We can read as if you are your main character to better understand them, or pinpoint a theme worth deeper exploration.

After the reading, I'll send you the audio of our conversation plus a one-page summary with images of the cards, questions to consider as you write, and encouraging takeaways.

Just need some quick insight? Book an email reading! You'll send me one question, I'll pull three cards, and I'll send you a brief written interpretation.
